Subject: updated / re-designed Superfund Remedial site assignments and directory
2016.12.20 SITEassign.directory.pdf

All,

Attached is the updated site assignment and RPM directory, redesigned to fit on one page. (Denver people, I have also put a printed version on your desk.)

- Site assignments include lead RPM only (support and backups are not indicated).
- The directory includes only RPM's in the site assignment list (plus unit chiefs and Bill).

If you approve of this simpler approach, I will send it to the RPM's to double-check that each of their site assignments and phone numbers are accurate.

Thank you,

Louise Jensen
